**TITLE OF INFORMATION COLLECTION:** NIH Office of Intramural Training & Education (OITE) – NIH Community College Day Registration

**PURPOSE:**

The National Institutes of Health (NIH) carries out and funds biomedical research in an effort to prevent and cure common and rare diseases. We also train the next generation of doctors, researchers, and medical support staff who will improve human health in the future, both across the country and around the world. NIH Community College Day provides community college students and faculty an opportunity to visit the NIH Bethesda campus and to learn about careers and training opportunities in biomedical and health care fields.

**DESCRIPTION OF RESPONDENTS:**

Participants in Community College Day (CCD) are community college students and community college faculty. Participants receive no financial support from the NIH.
