The selection of targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?

[] Yes [X] No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

We will send email invitations (including registration link) to grantees with funding through selected NIMH-funded consortia, including the National Cooperative Reprogrammed Cell Research Groups (NCRCRG) cooperative agreement ([PAR-13-225](#)) or the Convergent Neuroscience cooperative agreement ([PAR-17-179](#)), the BRAIN Initiative Cell Census Network (BICCN) and PsychENCODE. On an ad hoc basis, we will also send email invitations to a small number of grantees from one or more relevant

research projects, centers, networks or consortia, e.g., with NIH R01, P50, U01, U19, U54, U24 awardees, as well as other qualified scientists. Anyone who is invited and completes the registration form will be able to participate in the consortium.
