

The Division of Cancer Prevention at the National Cancer Institute, National Institutes of Health invite you to attend the **virtual** *NCI Division of Cancer Prevention (DCP) New Grantee Workshop*, which will take place **November 18-19, 2021**.

These two half-day learning sessions is designed specifically for new DCP grantees who have received their first independent NIH R01 grant within the last two years. The workshop will include presentations on the structure, roles, and inter-relationships of NIH, NCI, DCP. Additional funding opportunities (supplements, tools and existing NCI/NIH resources, etc.) will be highlighted and there will be a focus on rigor and reproducibility, data sharing, and other reporting requirements.
