

Dear Colleagues,

The NIH SGM Health Scientific Interest Group (SIG) will be holding an End of Year Networking Session on December 9th, 2021, from 3:00 p.m. to 4:00 p.m. EDT on Zoom. Register in advance for the meeting here: <https://nih.zoomgov.com/meeting/register/vJltf-6qqDwvH9caKWGzb8mJ-wFN934LWL4>

When registering, be sure to select your area of interest so that you can be placed in a breakout room that correlates with that topic. The topics include Mental Health, Cancer, HIV, Substance Abuse/Tobacco Use, Infectious Diseases, Chronic Diseases, Sexual and Reproductive Health, and Aging. You can also specify your research area if it is not contained within this list.

Stay tuned for more information closer to the date!

Thank you,
