ORWH will be hosting the next BIRCWH Meeting on December 14 from 10 a.m. to 6 p.m., featuring presentations on the research of leading BIRCWH Scholars, a lecture on improvements in mentoring, and more. The meeting will also celebrate BIRCWH's 20th year as an NIH mentored career-development program connecting junior and senior faculty with shared interests in women's health and sex differences research. As ORWH's oldest signature program, BIRCWH advances ORWH's mission to develop opportunities to recruit, retain, and advance women in biomedical careers.
