

IRINAH

Intervention Research to Improve
Native American Health

OMB No.: 0925-0740
Expiration Date: 7/31/2022

Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Abstracts and Posters

We invite all registered meeting participants to submit an electronic abstract for poster presentation at the IRINAH meeting. Abstracts/posters should present intervention research findings relevant to Native American communities. Abstracts should be no longer than 400 words and attached (MS-Word Document or PDF) with registration. The posters should not exceed 48" x 72".

Please email Amy Kennedy at amy.kennedy@nih.gov with any questions.

Each abstract submission must include:

- Title
- Full list of Authors
- Author Affiliations
- Background
- Aim
- Methodology
- Analysis
- Results/Findings
- Conclusions
