

## Abstract Submission

OMB#: 0925-0740 Exp Date: 07/2022

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Every student who is part of a 2019 ENDURE program should complete an abstract form, available below. Please ensure that your mentor(s) have approved a draft of the final submission. The abstracts are an important networking tool for connecting ENDURE students to potential graduate programs and should be a positive reflection of the student and your ENDURE program.
