Oral Comment Registration

Webcast: NTP Board of Scientific Counselors (BSC) Meeting

Dates:

- The webcast is scheduled for Thursday, December 3, 2020, at 12:30 p.m. to adjournment on Friday, December 4, 2020, at approximately 5:00 p.m. Eastern Standard Time (EST). Note: meeting may end sooner or go longer
- November 20 is the deadline to register to present oral comments.

For more information on public comments, read NTP's [guidelines for public comments](#).

Maximum number of oral speakers:

The agenda allows for four formal public comment periods:

Day 1:

- Topic I: DNTP's Strategic Realignment
- Topic II: DNTP's Draft Strategic Plan

Day 2:

- Topic III: Cardiovascular Health Effects Innovation Program
- Topic IV: Developmental Neurotoxicity Health Effects Innovation Program

Requests to provide oral comment are on a first-come, first-served basis (only one speaker per organization per topic, up to 5 minutes per speaker). After the maximum number of speakers is reached, the requestors will be placed on a wait list until the wait list maximum is reached. Individuals will be notified should an opening become available. Once the wait list is filled, we will no longer accept requests.

OMB#: 0925-0740 Exp Date: 07/2022

Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all study participants and reported as summaries. You are being contacted on-line to complete this instrument so that we can improve the website.

Public reporting burden for this collection of information is estimated to average no more than 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.
