OMB # 0925-0740 Expiration Date: July 31, 2022

Public reporting burden for this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

### Important Attendee Survey for ICARE Participants

Thank you for registering for the ICARE Dialogues. We would like more information about you in order to better understand who is attending. Please complete the following survey at your earliest convenience.

Your answers to the following questions will help us to improve future sessions as we learn more about the audience we serve. Therefore, we request that you provide information about your educational background, current career, relationship to the IACUC, etc. The information you provide will be shared only within our ICARE faculty members who will use the information to enhance your educational experience in the ICARE program.

Thank you for providing this information.

**Gender . \***

**Education \***

**Education \***

**What is your Age Range \***

**Race \***

**Are you a member of IACUC? \***

**Years of experience in IACUC and animal program related field. \***

Most US animal care and use programs must comply with the standards of multiple US federal agencies. Please select all of the agencies that oversee the animals program at your institution. Your answer to this question will help us to ensure that we include appropriate content in ICARE Project workshops.

**Please select all of the agencies that oversee the animals program at your institution. (Check all that apply) \***

- United States Dept of Agriculture (USDA)
- Public Health Service (PHS)
- National Institutes of Health (NIH)
- OLAW
- National Science Foundation (NSF)
- Food & Drug Administration (FDA)
- Department of Defense (DoD)
- Veterans Administration (VA)
- NASA
- BARDA
- I do not know

**Type(s) of Research Your IACUC Oversees. (Check all that apply) \***

## ICARE DIALOGUES TOPICS

You are invited to participate in 1 topic per month for the ICARE Dialogues. Please review the topics below and select the one(s) you would like to participate in.

### IMPORTANT: PARTICIPANT OBLIGATIONS

1. Attend session(s) for which you register.
  2. Provide demographics and feedback.
- If you register and do not attend, you will deprive a colleague of the opportunity to participate. If your plans change, please inform us ASAP (not later than 48 hours in advance) at [erin@espinc-usa.com](mailto:erin@espinc-usa.com) or **214-282-6780** so that we may offer your space to a waitlisted colleague. Other participants from your **INSTITUTION** may be denied the opportunity to register for future sessions of **ICARE Dialogues** if, as a registered participant, you do not cancel in advance.
  - Please partner with us by providing demographic information at registration and feedback through a pre and post session survey. Your demographics and feedback will enable us to design more targeted and effective programs to better serve your needs.

All ICARE Dialogues will occur at 1 PM - 3:30 PM Eastern (12 PM - 2:30 PM Central ▪ 11 AM - 1:30 PM Mountain ▪ 10 AM - 12:30 PM Pacific) unless otherwise noted. All sessions will include Closed Captioning.
