WHO SHOULD SUBMIT THIS APPLICATION

Physicians and eligible professionals can apply to enroll for the sole purpose of ordering or certifying items and/or services to beneficiaries in the Medicare program, or make a change in their ordering/certifying enrollment information using either:

- The CMS-855O application available on the Internet-based Provider Enrollment, Chain and Ownership System (PECOS), or
- The paper CMS-855O application. Be sure you are using the most current version.

For additional information regarding the Medicare ordering/certifying enrollment process, including Internet-based PECOS and to obtain a copy of the most current CMS-855O application, go to **CMS.gov/Medicare/Provider-Enrollment-and-Certification**.

NOTE: For purposes of this application only, the word "provider" is used universally and includes any providers or suppliers who are required to complete the CMS-855O application.

Most physicians and eligible professionals (as defined in section 1848(k)(3)(B) of the Social Security Act) enroll in the Medicare program to be reimbursed for the covered services they furnish to Medicare beneficiaries.

However, with the implementation of Section 6405 of the Affordable Care Act, CMS requires certain physicians and eligible professionals to enroll in the Medicare program for the sole purpose of ordering/certifying items or services for Medicare beneficiaries. These physicians and eligible professionals do not and will not send claims to a Medicare Administrative Contractor (MAC) for the services they furnish. The physicians and eligible professionals who may enroll in Medicare solely for the purpose of ordering/certifying include, but are not limited to, those who are:

- Employed by the Department of Veterans Affairs (DVA)
- Employed by the Department of Defense (DOD)/Tricare (moved from list below so the first two bullets are military related while the rest of the bullets are from HHS (ASPE))
- Employed by the Public Health Service (PHS)
- Employed by the Indian Health Service (IHS) or a Tribal Organization
- Employed by Federally Qualified Health Centers (FQHC), Rural Health Clinics (RHC) or Critical Access Hospitals (CAH)
- Licensed Residents (as defined in 42 C.F.R. section 413.75(b)) in an approved medical residency program
- Dentists, including oral surgeons
- Pediatricians
- Retired physicians who are licensed

Once enrolled, you will be listed on a CMS database and will be deemed eligible to order/certify services and items for Medicare beneficiaries.

The information you provide on this form will not be shared. It is protected under 5 U.S.C. Section 552(b)(4) and/or (b)(6), respectively. See the last page of this application to read the Privacy Act Statement.

BILLING NUMBER AND NATIONAL PROVIDER IDENTIFIER INFORMATION

The Provider Transaction Access Number (PTAN), often referred to as a Medicare Provider Number or Medicare Billing Number, is a generic term for any number other than the National Provider Identifier (NPI) that is used by a provider to bill the Medicare program.

The National Provider Identifier (NPI) is the standard unique health identifier for health care providers and suppliers and is assigned by the National Plan and Provider Enumeration System (NPPES). To enroll in Medicare, you must obtain an NPI and furnish it on this application prior to enrolling in Medicare or when submitting a change to your existing Medicare enrollment information. Applying for the NPI is a process separate from Medicare enrollment. To obtain an NPI, you may apply online at **NPPES.cms.hhs.gov**. For more information about NPI enumeration, visit **CMS.gov/Regulations-and-Guidance/Administrative-Simplification/NationalProvIdentStand/enumeration**.

NOTE: The Legal Business Name (LBN) and Tax Identification Number (TIN) that you furnish in section 2A must be the same LBN and TIN you used to obtain your NPI. Once this information is entered into PECOS from this application, your LBN, TIN and NPI **must** match exactly in both PECOS and NPPES.
