

CY 2020 MLR Data Form (current version)	CY 2023 MLR Report (proposed version)	Type of Change	Reason for Change	Burden Change
MLR Data Form cells A8, A10, B1	MLR Report worksheet 1 cells A8, A10, B1	Rev	Cell label that refers to the "MLR Data Form for Contract Year [XXXX]" changed to refer to the "MLR Report for Contract Year [XXXX]" to reflect terminology used in the Contract Year 2023 Policy and Technical Changes to the Medicare Advantage and Medicare Prescription Drug Benefit Programs proposed rule (CMS-4192-P; RIN 0938-AU30), to reflect the terminology CMS will use to refer to the MLR data submission for contract year 2023 and subsequent contract years.	No
MLR Data Form cells	MLR Report worksheet 1 cells	Rev	Update year reference (e.g., CY2020, CY 2021, etc.).	No
MLR Data Form cell A4	MLR Report worksheet 1 cell A4	Rev	Revised "General Information" to read "Section 1: General Information". The revised form includes multiple sections, so the section designation is needed.	No
MLR Data Form cells E6, F6	MLR Report worksheet 2 cells C29, C34, D29, D34	Rev	Removed number "6" from field label and moved field label and associated data field from MLR Data Form cells E6 and F6 to MLR Report worksheet 2, cells to C29 and D29, respectively. The field label and data field at MLR Report worksheet 2 cells C29 and D29 is duplicated in MLR Report worksheet 2 cells C34 and D34, respectively.	Yes. Currently, users must manually enter data into the field at MLR Data Form cell F6. This field, which will now appear at MLR Report worksheet 2 cells D29 and D34, will be filled in automatically by the MLR Report software, based on other user-entered data. This will result in a small reduction in the burden to complete this specific field.
MLR Data Form cells E7, F7	MLR Report worksheet 2 cells C36, D36	Rev	Revised field label ("7. Remittance Amount") to read "Remittance amount for [applicable contract year]", and moved field label and associated data field from MLR Data Form cells E7 and F7 to MLR Report worksheet 2, cells to C36 and D36, respectively.	Yes. Currently, users must manually enter data into the field at MLR Data Form cell F7. This field, which will now appear at MLR Report worksheet 2 cell D36, will be filled in automatically by the MLR Report software, based on other user-entered data. This will result in a small reduction in the burden to complete this specific field.

Type of Change: Rev = Revision, Del = Deletion, Add = Addition, and Red = Redesignation.

MLR Data Form cells E12 through E27 and H12 through H27	MLR Report worksheet 3 cell A62 through A78 and D62 through D78	Rev	Moved location of PRA disclosure statement and revised statement to reflect increase in time required to complete the proposed MLR Report form (from 36 hours to 61.1 hours), consistent with the changes in the Contract Year 2023 Policy and Technical Changes to the Medicare Advantage and Medicare Prescription Drug Benefit Programs proposed rule (CMS-4192-P; RIN 0938-AU30).	No
N/A	MLR Report worksheet 2 (other than cells C29, C34, C36, D29, D36, and D34) and worksheet 3 (other than cell A54)	Add	Added field labels and collection for additional categories of data that CMS proposes to collect, consistent with the proposed changes in the Contract Year 2023 Policy and Technical Changes to the Medicare Advantage and Medicare Prescription Drug Benefit Programs proposed rule (CMS-4192-P; RIN 0938-AU30).
