The screenshot displays the eAFI Workload Management interface. At the top left is the eAFI logo. The top right corner contains links for 'User Guide', 'PolicyNet', and 'Printer Configuration'. Below the logo, the user's office is listed as '174' and the unit as 'AJH'. A navigation bar includes buttons for 'Assign Work', 'Refresh List', and 'Exit'. The main section is titled 'Workload Management' and features a dashboard with seven categories: Potential Ineligibility (3), No Accounts Received (2), All Responses Received (3), Potential Undisclosed Accounts (3), Overdue Verifications (2), Pending Requests (3), and Other Resources (3). The 'All Responses Received' category is selected, leading to a table with the heading 'Review accounts on responses. Consider co-ownership and exclusions.' The table has columns for 'Last Response Received Date', 'Claim SSN', 'Claimant Name', 'Attachments', 'Interest', 'Details', and 'Reassign'. Three rows of data are visible, each with 'Show' and 'Reassign' buttons. To the right of the table, there is a 'Select a Unit' dropdown menu, an 'or' label, an 'Enter OQP Office Code' input field, and an 'Apply' button.
