

UC Provider Careers - Add Your Organization to the List

Thank you so much for your commitment to supporting unaccompanied children!

Hiring qualified staff continues to be a challenge for all human services providers. In the case of the ORR licensed provider network, providers are facing increased challenges recruiting and retaining staff for a range of core positions required to operate a UC licensed provider site.

In partnership with ORR, the Association of Children's Residential & Community services (ACRC) will host a simple landing page to help job seekers interested in working with unaccompanied children find you and your open positions.

Please complete this brief questionnaire to have your organization added to the searchable list. ACRC will continue to enhance our capabilities to allow for specific job postings in the future. Signing up now will ensure you receive notice as the career site improves.

Please email Lisette Burton, ACRC Chief Policy & Practice Advisor, with questions or for more information at lburton@togetherthevoice.org.
