Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Return You're Correcting ...
 Enter the calendar year of the return you're correcting:
 (YYYY)

Enter the date you discovered errors:
 / /
 (MM / DD / YYYY)

Read the separate instructions before completing this form. Use this form to correct errors you made on Form 944, Employer's ANNUAL Federal Tax Return. Use a separate Form 944-X for each year that needs correction. Type or print within the boxes. You MUST complete all five pages. Don't attach this form to Form 944 unless you're reclassifying workers; see the instructions for line 42.

Part 1: Select ONLY one process. See page 6 for additional guidance, including information on how to treat employment tax credits and social security tax deferrals.

- 1. Adjusted employment tax return.** Check this box if you underreported tax amounts. Also check this box if you overreported tax amounts and you would like to use the adjustment process to correct the errors. You must check this box if you're correcting both underreported and overreported tax amounts on this form. The amount shown on line 27, if less than zero, may only be applied as a credit to your Form 944, Form 941, or Form 941-SS for the tax period in which you're filing this form.
- 2. Claim.** Check this box if you overreported tax amounts only and you would like to use the claim process to ask for a refund or abatement of the amount shown on line 27. Don't check this box if you're correcting ANY underreported tax amounts on this form.

Part 2: Complete the certifications.

3. I certify that I've filed or will file Forms W-2, Wage and Tax Statement, or Forms W-2c, Corrected Wage and Tax Statement, as required.

Note: If you're correcting underreported tax amounts only, go to Part 3 on page 2 and skip lines 4 and 5. If you're correcting overreported tax amounts, for purposes of the certifications on lines 4 and 5, Medicare tax doesn't include Additional Medicare Tax. Form 944-X can't be used to correct overreported amounts of Additional Medicare Tax unless the amounts weren't withheld from employee wages.

4. If you checked line 1 because you're adjusting overreported federal income tax, social security tax, Medicare tax, or Additional Medicare Tax, check all that apply. You must check at least one box.

- I certify that:
- a.** I repaid or reimbursed each affected employee for the overcollected social security tax and Medicare tax for prior years. I have a written statement from each affected employee stating that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
 - b.** The adjustments of social security tax and Medicare tax are for the employer's share only. I couldn't find the affected employees or each affected employee didn't give me a written statement that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
 - c.** The adjustment is for federal income tax, social security tax, Medicare tax, or Additional Medicare Tax that I didn't withhold from employee wages.

5. If you checked line 2 because you're claiming a refund or abatement of overreported federal income tax, social security tax, Medicare tax, or Additional Medicare Tax, check all that apply. You must check at least one box.

- I certify that:
- a.** I repaid or reimbursed each affected employee for the overcollected social security tax and Medicare tax for prior years. I have a written statement from each affected employee stating that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
 - b.** I have a written consent from each affected employee stating that I may file this claim for the employee's share of social security tax and Medicare tax overcollected in prior years. I also have a written statement from each affected employee stating that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
 - c.** The claim for social security tax and Medicare tax is for the employer's share only. I couldn't find the affected employees; or each affected employee didn't give me a written consent to file a claim for the employee's share of social security tax and Medicare tax; or each affected employee didn't give me a written statement that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
 - d.** The claim is for federal income tax, social security tax, Medicare tax, or Additional Medicare Tax that I didn't withhold from employee wages.
