✓ Authority:

The information collected on this website is collected under Executive Order (EO) 14012 (February 2, 2021) and 8 U.S.C. § 1182(d)(5)(A). In response to EO 14012, on July 2, 2021, the Secretaries of Homeland Security and the Veterans Affairs (VA) announced a new joint initiative, the Immigrant Military Members and Veterans Initiative (IMMVI), to support our Nation's noncitizen service members, veterans, and their immediate family members and directed their departments to identify and prioritize the return of military service members, veterans, and their immediate family members who were removed from the United States to ensure they receive any entitled or eligible benefits.

✓ Purpose:

The primary purpose for providing the requested information on this website is to register the current or former service member with the IMMVI, so the Department of Homeland Security (DHS) can collect and gather the necessary information in order to expedite the benefit adjudication process to ensure that the service member can access or receive any entitled or eligible benefits. However, registration and submission of information to this website is not an application for a visa, other documentation, admission into the United States, or any other immigration or other benefit.

✓ Routine Uses:
