The following variables will be preloaded in the sample file:

1. MSAP

- = 1 if the school is an MSAP grantee attended by students in the study sample
- = 0 if the school is attended by students in the study sample (treatment or control) and is NOT an MSAP grantee

2. GRADE SPAN

- = EE (early elementary school, serving grades PK-K through 2)
- = ES (elementary school, serving grades PK-K through 5-6)
- = K8 (K through 8 school, serving grades PK-K through 8)
- = MS (middle school, serving only grades within the range of 4 through 9)
- = SS (secondary school, serving grades 6-7 through 12)
- = HS (high school, serving grades 8-10 through 12)
- = K12 (K through 12 school, serving all grades)

3. SCHOOL GRADES SERVED [PK – 12]

ALL ELIGIBLE

A1. [If MSAP = 1: This survey is part of the Impact Study of Federally Funded Magnet Schools, a national evaluation designed to learn more about magnet schools, and whether particular features of magnet schools are associated with greater success. The study is being conducted for the U.S. Department of Education by Mathematica.]

[If MSAP = 0: This survey is part of the Impact Study of Federally Funded Magnet Schools, a national evaluation being conducted for the U.S. Department of Education by Mathematica. Your responses will help us understand how federally funded magnet schools differ from other schools. Your school provides an important comparison, because some of your students could have enrolled in a nearby magnet school.]

You are being asked to complete this survey because, as principal, you are the most knowledgeable person about your school's organization and instruction.

[If MSAP=1: Your responses are essential to understanding magnet school effectiveness. As a Magnet Schools Assistance Program (MSAP) grantee, your school is expected to complete this survey.]

[If MSAP = 0: This survey is voluntary, but your response is critical for producing valid and reliable data. For completing the survey, you will receive a \$30 payment.]

You may skip any questions that you do not wish to answer; however, we ask that you answer all the questions that you can. Participation in this survey will not impose any risks to you as a respondent. If you have any questions about your rights as a study participant, contact [IRB INFORMATION].

HOVER TEXT: Mathematica and its subcontractor SPR follow the confidentiality and data protection requirements of the Institute of Education Sciences at the Department of Education (Education Sciences Reform Act of 2002, Title I, Part E, Section 183). Responses to this data collection will be used only for research purposes. The reports prepared for the study will summarize findings across the sample and will not associate responses with a specific district, school, or individual. We will not provide information that identifies respondents to anyone outside the study team, except as required by law.
