- Manufacturer/Producer (required)
- Shipper (required)

Provisions of the U.S. Code and CBP regulations, in various parts and related to various types of merchandise, specify information that is required for entry. For reference, part 163, Code of Federal Regulations, Title 19 (19 CFR part 163 appendix A) refers to a wide variety of regulatory provisions for certain information that may be required by CBP.

By testing the identifiers CBP will take its first step in determining whether to amend regulations to mandate the GBI solution. Furthermore, CBP will understand the utility of collecting and/or combining the identifiers' data and will be able to make an informed decision on whether to mandate the use of the GBI solution as an alternative for the Manufacturer/Shipper Identification Code (MID).
