

**NCCC Focus Groups and Interviews Questions Strengthening Communities by Target Group**  
**Adapted for Vaccine Distribution Case Studies**

<b>Original approved survey question For Corps Members and Team Leader</b>	Deleted	Minor Changes	Additions
1. Could you describe some of the [NCCC / FEMA Corps] project accomplishments that are readily visible to people? How about those not readily visible? What was the overall impact of this project on the community you served? What was its greatest impact on you as a member?		Could you describe some of the COVID project accomplishments that are readily visible to people? How about those not readily visible? What was the overall impact of this project on the community you served?	
2. What does it mean to strengthen a community? Do you think [NCCC / FEMA Corps] team's efforts strengthen the communities in which the team served? If so, how? Do you have any stories that may show an example of how [NCCC / FEMA Corps] strengthened a community?			
3. What are some of the lessons learned from your experiences with this project? If a team was to take over the project tomorrow, what is the major community impact you would want them to focus on? Is there anything that [NCCC / FEMA Corps] can do to better support the ability of [NCCC / FEMA Corps] teams to strengthen communities?		What are some of the lessons learned from your experiences with the COVID project? If a team was to take over the project tomorrow, what is the major community impact you would want them to focus on?	
4. How will your work on projects affect [Organization Name / FEMA]? Do you believe this work is important? If so,		How will your work with the COVID project affect [Organization Name / FEMA]? Do you believe this work is	

why? If not, why not?		important? If so, why? If not, why not?	
5. Thinking about the future, how do you think your experiences in [NCCC / FEMA Corps] will affect your activities in the community in which you live / work?			
6. What have you heard people in the community say about [the NCCC program/FEMA Corps]? How about its Corps Members?			
7. What did you find meaningful or rewarding about your [NCCC/FEMA Corps] work and time in the [NCCC/FEMA Corps] program?		What did you find meaningful or rewarding about your work with the COVID project ?	
8. [Team Leaders only] Thinking about your most recent project, what was your understanding of the sponsor's organization's primary goal for the project? Do you believe that your team was successful in reaching this goal? If so, how? If not, why do you think this is so? What characteristics of the community or of [Organization Name / FEMA] made it easier or more difficult to reach the goal?		<b>[Team Leaders only]</b> Thinking about your work with the COVID project, what was your understanding of the sponsor's organization's primary goal for the project? Do you believe that your team was successful in reaching this goal? If so, how? If not, why do you think this is so? What characteristics of the community or of [Organization Name / FEMA] made it easier or more difficult to reach the goal?	
9. [Team Leaders only] How do you define a successful project? How would you measure a successful project? Are there any measures that you currently collect (e.g., outputs) that reflect the real impact of your team's work? What are the impacts of your work that can't be measured?		<b>[Team Leaders only]</b> How do you define a successful project? How would you measure a successful project? Are there any measures that you currently collect (e.g., outputs) that reflect the real impact of your team's work? What are the impacts of your work with the COVID project	

		that can't be measured?	
10. Is there something that you thought I was going to ask, that I didn't? Is there anything else you want to share?			
			What was greatest impact on you as a member? Does your participation in this COVID-19 project result in any career opportunity? As a result of participating in this COVID-19 project, are you considering any career change? If so, what kind of career are you considering?the project's
			How did the team arrive the community to begin the vaccine distribution? Did new teams rotate in during your team's service? Did your team follow any process or procedure to ensure that the community could maintain the service that your team provided? At the end of your team's round/deployment how did the team leave the community?
			<input type="checkbox"/> Did your FEMA teams serve on multiple Mission Assignments (MAs) in different states? If yes, did you serve in community vaccine sites and mega cite centers? If yes, what differences did you observe between community vaccine sites vs mega site centers? <b>FEMA MA teams only</b>
