

PI REU Information Form #1

Thank you for taking part in the Computing Research Association's REU Evaluation. This form collects basic information about your upcoming REU(s) that you have asked the CRA's Center for Evaluating the Research Pipeline (CERP) to evaluate. This form should take no more than 10 minutes to complete and works best with Google Chrome.

An agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is **3145-XXXX**. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions. Send comments regarding the burden estimate and any other aspect of this collection of information, including suggestions for reducing this burden, to: Suzanne H. Plimpton, Reports Clearance Officer, National Science Foundation Alexandria, VA 22314.

REU INFORMATION

Please provide the following information about the REU(s) that CERP will be evaluating.

8. **[If Q6. = "Yes"]** How many REU awards do you currently have that you want CERP to evaluate?
1/2/3/4/5
9. **[If Q6. = "No"]** How many REU awards does this PI currently have that they want CERP to evaluate?
1/2/3/4/5

[Ask all remaining questions for each REU in Q8.]

10. REU award name: _____
11. REU award ID: _____
12. REU website: _____
13. REU location: [dropdown list of schools]: _____

14. Start date of REU award (or approximate date): _____

15. End date of REU award (or approximate date): _____

16. Type of REU award:

- REU Site
- REU Supplement

17. What is the research area for this REU? Choose up to 2 responses

- Artificial Intelligence
- Computer-Supported Cooperative Work
- Computing Education
- Data Mining
- Databases/Information Retrieval
- Distributed Systems
- Embedded Systems
- Formal Methods/Verification
- Graphics/Visualization
- Hardware/Architecture
- Human-Computer Interaction
- High-Performance Computing
- Informatics: Biomedical or Other Science
- Information Science
- Information Systems
- Machine Learning
- Natural Language Processing
- Networks
- Operating Systems
- Operations Research
- Programming Languages/Compilers
- Robotics/Vision
- Scientific/Numerical Computing
- Security/Information Assurance
- Social Computing/Social Informatics
- Software Engineering
- Theory and Algorithms
- Other; please specify: _____

18. For how many terms or semesters will you have REU participants for this award? Please do not include terms that have already occurred under this award.

1/2/3/4/5

[For each in Q17.]

Please list the approximate start and end dates for each term in which you will have student participants:

19. First/second/third/fourth/fifth term start date: _____

20. First/second/third/fourth/fifth term end date: _____

21. [If Q16. = "REU Supplement"] Were students required to apply to participate in this REU for the upcoming term?
- No
 - Yes
22. [If Q16. = "REU Site" OR Q21. = "Yes"] Please describe all eligibility criteria for participation in this REU.
23. [If Q16. = "REU Site" OR Q21. = "Yes"] Please upload a machine-readable PDF that includes any additional application requirements or application questions that you had for your REU applicants.
24. [If Q16. = "REU Site" OR Q21. = "Yes"] Please indicate the number of undergraduate students who applied to participate in this REU for the upcoming term. _____
25. [If Q16. = "REU Site" OR Q21. = "Yes"] Please indicate the number of applicants for the upcoming term whose final admission decision status was...
- Admitted: _____
 - Rejected: _____
 - Waitlisted: _____
 - Not reviewed: _____
26. Please indicate the number of individuals working on this project during the upcoming term in each of the following roles:
- Co-PI: _____
 - Other faculty advisors, not the PI/co-PI: _____
 - Postdoc(s): _____
 - Graduate student(s): _____
 - Department/project staff: _____
 - Other: _____

Thank you for completing this form. CERP will contact you soon to provide you with an anonymous Qualtrics survey link to send to your REU participants to complete the program pre-survey.
