### 0535-0039 – Fruit, Nuts, and Specialty Crops

#### Almond Price Inquiry – 2021 Crop Preliminary

#### Almond Price Inquiry - 2021 Crop Final

As part of continually reviewing comments about previous surveys and data needs from data providers, updates were made to the Almond Price Preliminary and Final questionnaires.

NASS added a combined Butte/Padre variety to the almond price table (shown in red).

Shelling ratio is now its own column instead of a row after each variety.

These changes will not impact the current sample size or respondent burden.
