

Nonsubstantive Change
ICR 0579-0327

A revised VS Form 1-64 is submitted for approval as a nonsubstantive change to 0579-0327. APHIS added to the form digital applicant signature and date fields, made the form a fillable PDF, and improved its appearance making it easier to complete. Other than the signature and date fields, no other content or fields were changed.
