Dear [NAME],

Recently, your household received a letter from the U.S. Census Bureau asking you to participate in a survey for the Ask U.S. Panel pilot, a national survey pilot panel led by the U.S. Census Bureau and U.S. Department of Defense (DoD). The Ask U.S. Panel pilot collects views and experiences on a variety of topics from active-duty service members and their spouses. If you have already completed the enrollment survey, please accept our sincere thanks.

If you have not completed your survey, please do so as soon as possible. Your participation will aid the DoD in developing informed policies that will support active-duty service members and their families. We encourage you to enroll in the Ask U.S. Panel by completing the 20-minute enrollment survey. You can access the survey by visiting the link and entering the pin provided below. **As a token of our appreciation for completing the survey, you will receive \$20.**
