¹ Partial NAICS are combined by sector and identified in the NAICS column as ##XXXX, where ## is the

² Blanks in the "4th Quarter Births" column indicate that there were no 2019 4th quarter births in the Business Register data used to generate these projections. In 2022, there may be such births. Zero that the number could not be anything but zero (e.g. all single-establishment firms in an industry are "Large" therefore there cannot be any "Small" ones).

³ NA represents the unclassified establishments with NAICS of 00000000 on the Business Register cards.
