

The USPTO appreciates your participation in the Expanded Collaborative Search Pilot Program (CSP). We hope you have found the program easy to use and that it has been a useful tool with your international filing strategy.

As we continue to promote the benefits of work sharing with our stakeholders and international partners, we are actively seeking feedback to enhance our efforts. As a pilot participant, we would like to hear from you about your experience using CSP. Your input is critical to help us further improve and potentially expand work-sharing programs such as this with other IP offices. This survey is estimated to take less than ten minutes to complete. We look forward to hearing from you.

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995, unless the information collection has a valid OMB Control Number. The OMB Control Number for this information collection is 0651-0079. Public burden for this survey is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Office of the Chief Administrative Officer, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 or email InformationCollection@uspto.gov.
