

PDUFA Cover Sheet Creation: Step-by-Step Instructions

On August 18, 2017 the President signed into law the Food and Drug Administration Reauthorization Act (FDARA). This new law includes the reauthorization of the Prescription Drug User Fee Act (PDUFA) that provides FDA with the necessary resources to maintain a predictable and efficient review process for human drug and biologic products. The new law ensures that FDA will continue to receive a source of stable and consistent funding during fiscal years 2018-2022 that will allow the agency to fulfill its mission to protect and promote public health by helping to bring to market critical new medicines for patients.

The Prescription Drug User Fee Act (PDUFA) was enacted in 1992 and renewed in 1997 (PDUFA II), 2002 (PDUFA III), 2007 (PDUFA IV), 2012 (PDUFA V), and 2017 (PDUFA VI). It authorizes FDA to collect fees from companies that produce certain human drug and biological products. Since the passage of PDUFA, user fees have played an important role in expediting the drug approval process.

1. Pay.gov can be used to submit secure online payments for cover sheets to the FDA. Payments can be made through the Automated Clearing House (ACH) method, which can come directly from your bank account or an eCheck. The FDA has partnered with the U.S. Department of the Treasury to use Pay.gov, a web-based payment application, for online electronic payment. The Treasury has compiled a comprehensive list of Pay.gov FAQs which can be accessed at <https://www.pay.gov/WebHelp/HTML/about.html>.
2. Make your check payable to the U.S. Food and Drug Administration and include 1 copy of the FDA PDUFA cover sheet. Please write the payment identification number (PIN) beginning with "PD" on your check. **FDA will not be able to process your payment correctly without your PDUFA cover sheet PIN.**

Mail your check and one copy of the PDUFA cover sheet to:
The Food and Drug Administration
