Subject: RE: Update Electronic Data Collection PIA for DOSE

Hello Gayle,

I see that this is an information collection request that does not involve the handling of PII, therefore, this should not be submitted as a PRA PIA as we cannot review it unless PII is involved. This should be deactivated and sent to the

Information Collection Review Office (ICRO) @

<https://intranet.cdc.gov/os/osi/icro/index.html> I've included the link that should point you in the right direction. Let us know if you have any other questions.
