Subject: [EXTERNAL] Prevention Training Center (PTC) Evaluation Request

Hi Benjamin,

Congratulations on completing Denver PTC - Webinar - STI Update on 8/28/2019. Please click the link below or copy and paste it into your browser to complete our evaluation. Your feedback will help us improve this course for others. If you open the survey on your mobile device, please flip to a landscape view for better viewing.

Continuing Education (CE) credit is offered for SOME courses. If your course did not advertise that CEU/CME/CNE credit was being offered, then unfortunately, it is not available.

If Continuing Education credit was offered, and you did not already complete a CE-specific evaluation, when you "submit" your NNPTC evaluation responses you will automatically go to a page with the link to a few additional questions required for your CE credit.

If you have any questions please contact Kim Taylor at kimberly.taylor@dhha.org.

Thanks for your help,

Kim Taylor
