

Vaccination for Critical Workforce Groups and Disproportionately Impacted Populations (VAC)

VAC1 Critical workforce groups (CWG) and disproportionately impacted populations (DIP) prioritized for COVID-19 vaccine

VAC2.a-b PHEP Role determining prioritized populations for limited supply of COVID-19 vaccination

- a. At the start of vaccine availability
- b. During the refinement of priority vaccination groups

VAC2.c Vaccine administration capacity

VAC2.d Equitable access to vaccine services

VAC3.a-e PHEP role communicating targeted vaccination plans with

- a. Incident management stakeholders
- b. Vaccine administrators
- c. CWG employers for directed outreach
- d. DIP community partners for culturally sensitive message development
- e. DIP community partners to amplify directed outreach

VAC4.a-k. Vaccine management and administration activities)

- a. Vaccine supply

- b. Vaccine shipment

- c. Vaccine transport

- d. Vaccine storage and handling (including cold chain management)

- e. DVC preparation and supplies

- f. DVC locations

- g. Vaccine preparation

- h. Vaccine administration

- i. Vaccine documentation

- j. Vaccine adverse event tracking
 - a. Post DVC actions, documentation, or demobilization

 - b. PHEP capabilities supported COVID-19 vaccination efforts

 - c. Monitored Best Practices for Temporary, Off-Site, or Satellite Clinics

VAC5.a-d Vaccine Administrators

- a. Recruitment

- b. Credentialing
- c. Training
- d. Safety and Health Monitoring

VAC5.e Vaccination administrators were recruited from

VAC6.a-k COVID-19 Vaccination Activities (for each select either performed without challenges, performed with some challenges, performed with major challenges, unable to perform, or not applicable)

- a. Vaccine supply
- b. Vaccine shipment
- c. Vaccine transport
- d. Vaccine storage and handling (including cold chain management)
- e. DVC preparation and supplies (equipment)
- f. DVC locations
- g. Vaccine preparation
- h. Vaccine administration staff (personnel resources)
- i. Vaccine documentation (monitoring and tracking)
- j. Vaccine adverse event tracking
- k. Post DVC actions, documentation, or demobilization
