## APPENDIX I: PARTNER SURVEY EMAILS

**Format: Mathematica email**

**Send from: RPGSurveys@mathematica-mpr.com**

**Subject: The Regional Partnership Grants Program partner survey is coming soon!**

**Attachments: None**

Dear [FIRST NAME] [LAST NAME]:

Mathematica Policy Research will soon launch the RPG Cross-Site Evaluation partner survey. Mathematica is conducting the survey on behalf of the Children's Bureau (CB) within the U.S. Department of Health and Human Services, Administration for Children and Families. You have been selected to participate in the survey based on your organization's work with [RPG\_GRANT] on the RPG project, which you might recognize by the name [RPG\_NAME]. Participation is voluntary; however, your participation is crucial to give CB a systematic picture of the characteristics of the staff and organizations implementing RPG-funded programs, the characteristics of partner organizations, partners' relationships with the grantees and other collaborating organizations, and program implementation. The survey will take approximately 25 minutes. We will email you additional information, including instructions to access the survey, in a few weeks.

You were identified as a representative of [ORG\_NAME] working with [RPG\_GRANT]. If this information is incorrect, please reply to this email or call our team at 866-627-9538 so that we can update our records. You may also contact our team at any time if you have questions.

Thank you in advance for your participation,  
Angela V. D'Angelo, Ph.D.  
Survey Director

Public reporting burden for the described collection of information is estimated to average 25 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Mathematica, 1100 First Street NE, 12th Floor, Washington, DC, 20002, Attn: Angela D'Angelo, RPG Project Director.
