### Instructions

The 50 States, District of Columbia, the Commonwealth of Puerto Rico are required providing household counts for the designated Federal Fiscal Year. The Report consists of household counts for both LIHEAP assisted and LIHEAP applicant households.

I. Number of Assisted Households

II. Number of Assisted Households by Poverty Interval

III. Number of Assisted Households by Vulnerable Population

IV. Number of Applicant Households

V. Number of Applicant Households by Poverty Interval

VI. Number of Assisted Households by Young Child Age Category

Except for Section VI, the household counts for LIHEAP assisted and applicant household optional. If LIHEAP funds are used for any other type of service not listed in the sections b households assisted with that service in the Notes Section.

The required data for LIHEAP assisted households for each State are included in the Department of Energy's annual report. The data are also used in measuring LIHEAP targeting performance under the Government Performance and Results Act (GPRA) Modernization Act of 2010. As the reported data are aggregated, the information
