**SUPPLEMENTARY INFORMATION:** In  
accordance with the Paperwork  
Reduction Act of 1995, we provide the  
general public and other Federal

collection requirements and provide the  
requested data in the desired format.

We are soliciting comments on the  
proposed ICR that is described below.  
We are especially interested in public

comment addressing the following  
issues: (1) Is the collection necessary to  
the proper functions of the BIA; (2) will  
this information be processed and used  
in a timely manner; (3) is the estimate  
of burden accurate; (4) how might the  
BIA enhance the quality, utility, and  
clarity of the information to be  
collected; and (5) how might the BIA  
minimize the burden of this collection  
on the respondents, including through  
the use of information technology.

Comments that you submit in  
response to this notice are a matter of  
public record. We will include or  
summarize each comment in our request

information from public review, we  
cannot guarantee that we will be able to  
do so.

**Abstract:** The BIA owns, operates, and  
maintains three electric power utilities  
that provide a service to the end user,  
pursuant to 25 CFR 175 (Indian Electric

individual responsible for repaying the  
government its costs for delivering the  
service and bill for those costs. The BIA  
must also collect information to identify  
the location of the service delivery (*i.e.*,  
electrical hook-up). In addition, the  
Debt Collection Improvement Act of  
1996 (DCIA), 31 U.S.C. 3701-3733  
requires that certain information be  
collected from individuals and  
businesses doing business with the  
government. This information includes  
the taxpayer identification number for  
possible future use to recover  
delinquent debt.

**Abstract:** The Bureau of Indian Affairs

for the information collection conducted  
under 25 CFR part 243, Reindeer in  
Alaska, which is used to monitor and  
regulate the possession and use of  
Alaskan reindeer by non-Natives in  
Alaska. The information to be provided

occurs, including changes prior to the  
date of the annual report. This  
information collection utilizes four  
forms. A response is required to obtain  
and/or retain a benefit.

**Title of Collection:** Reindeer in

**Abstract:** The BIA owns, operates, and  
maintains 17 irrigation projects that  
provide a service to the end user. To  
properly bill for the services provided,  
the BIA must collect customer  
information to identify the individual  
responsible for repaying the government  
the costs of delivering the service;  
determine eligibility for waiver of fees;  
and determine designation of irrigable  
lands as assessable or non-assessable.

Additional information necessary for providing the service is the location of the service delivery and the number of serviced acres. The Debt Collection Improvement Act of 1996 (DCIA) requires that certain information be collected from individuals and businesses doing business with the government. This information includes the taxpayer identification number for possible future use to recover delinquent debt. To implement the DCIA requirement to collect customer information, the BIA has included a section concerning the collection of information in its regulations governing its irrigation projects (25 CFR 171).
