

H-1 Registration FY23

H-1B Registration

A U.S. employer or agent (prospective petitioner) who seeks to obtain H-1B nonimmigrant classification on behalf of an individual subject to the H-1B numerical allocations will need to submit a registration during a designated registration period, unless the registration requirement is suspended by USCIS.

Prospective petitioners, or their attorneys or accredited representatives, may submit up to 250 registrations per submission.

The annual initial registration period will last a minimum of 14 calendar days and will start at least 14 calendar days before the earliest date on which H-1B cap-subject petitions may be filed for a particular fiscal year.

If a sufficient number of registrations projected as needed to reach the H-1B regular cap have not been received within the initial registration period, USCIS will notify all registrants who have properly registered that their registrations have been selected. USCIS will keep registration open past the initial registration period until USCIS has determined that it has received enough registrations projected as needed to meet the H-1B regular cap.

After the end of the initial registration period, if USCIS has received more registrations than needed to meet the projected number of registrations to reach the regular cap, we will randomly select a sufficient number of registrations. A similar process will apply for those who may be eligible for the advanced degree exemption. A Form I-129, Petition for a Nonimmigrant Worker, may then be filed by the petitioner based on a selected registration to request classification of the beneficiary as an H-1B worker.

Before You Start Your Registration

Eligibility

A U.S. employer or agent may file H-1B cap petitions, and as such, will be required to submit an H-1B registration to be eligible to file the H-1B cap petition.

U.S. Employers: Person or entity in the United States that:

- Engages a person to work in the United States;
- Has an employer-employee relationship with the beneficiary; and
- Has an Internal Revenue Service (IRS) tax identification number.

Agents: A U.S. individual or company in business as an agent may file an H-1B Registration for workers who are traditionally self-employed or workers who use agents to arrange short-term employment on their behalf with numerous employers, and in cases where a foreign employer authorizes the agent to act on its behalf.

Duplicates

A registrant (prospective petitioner) may only submit one registration per beneficiary in any fiscal year. If a registrant, or their authorized attorney or representative, submits more than one registration per beneficiary in the same fiscal year, all registrations filed by that registrant, or on their behalf by their authorized attorney or representative, related to the beneficiary for the fiscal year will be considered invalid.

Fee

Fee: \$10 per registration

We will send you to Pay.gov, our safe, secure payment website, to make your payment and submit your registration(s) online.

Important Payment Requirements:

When paying with check please be sure to enter the bank routing number and bank account number accurately. While the status of the registration(s) in the system will indicate "submitted" following completion of the Pay.gov payment process, your H-1B registration(s) will be invalidated if the payment does not clear.

If payment is completed with a credit card or debit card the status of the registration(s) in the system will indicate "submitted" following completion of the Pay.gov payment process. However, your H-1B registration(s) will be invalidated if the payment does not clear or the payment is later declined or disputed.

Money orders, certified bank checks, and non-reloadable debit cards cannot be used as a form of payment in the Pay.gov system.

If you use a business checking account to make your payment please ensure that your institution does not restrict or block ACH Payments for this service. If your business checking account is restricted your payment will be declined and your registration(s) will be invalidated.

USCIS Refund Policy

USCIS does not refund fees, regardless of any action we take on your submission, application, petition, or request, or how long USCIS takes to reach a decision.

By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

Check your registration(s) for duplicates.

(This process is optional)

A registrant (prospective petitioner), or their authorized attorney or representative, may only submit one registration per beneficiary in any fiscal year. If a registrant, or their authorized attorney or representative, submits more than one registration per beneficiary in the same fiscal year, we will invalidate all registrations submitted by that registrant, or on their behalf by their authorized attorney or representative, related to the beneficiary for the fiscal year. Before you submit your registration(s), you can check if the registrant named in this submission previously submitted a registration for any of the beneficiaries included in this submission for the same fiscal year.

To check your registration(s) for duplicates, you must provide your Employer Identification Number (EIN) on the "About Registrant" page and add at least one beneficiary on the "About Beneficiary" page. Then, select the "Check for duplicates" button to perform the check. A duplicate will be found if you or another person already submitted a registration for the beneficiary on behalf of your organization for the same fiscal year.

Once the check is complete, you can review the list of beneficiaries who have duplicates on the previous page. We recommend staying on this page until the check is complete. If you add beneficiaries after performing this check, you can perform the check again.

Note: Using this check does not guarantee that duplicates will not be identified by USCIS at a later date. This check will compare the beneficiaries listed in this draft with any registrations previously submitted during this registration period. It will not check for duplicates within this draft or between drafts. You can review the list of beneficiaries you included on the previous page (or on the spreadsheet on your account homepage) to make sure you have not entered a beneficiary more than once. Even if utilizing this check, the burden is still on the registrant to ensure that no duplicate registrations are submitted.

Check for duplicates

Review and Submit

Check your registration(s) for duplicates.

(This process is optional.)

A registrant (prospective petitioner), or their authorized attorney or representative, may only submit one registration per beneficiary in any fiscal year. If a registrant, or their authorized attorney or representative, submits more than one registration per beneficiary in the same fiscal year, we will invalidate all registrations submitted by that registrant, or on their behalf by their authorized attorney or representative, related to the beneficiary for the fiscal year. Before you submit your registration(s), you can check if the registrant named in this submission previously submitted a registration for any of the beneficiaries included in this submission for the same fiscal year.

To check your registration(s) for duplicates, you must provide your Employer Identification Number (EIN) on the "About Registrant" page and add at least one beneficiary on the "About Beneficiary" page. Then, select the "Check for duplicates" button to perform the check. A duplicate will be found if you or another person already submitted a registration for the beneficiary on behalf of your organization for the same fiscal year.

Once the check is complete, you can review the list of beneficiaries who have duplicates on the previous page. We recommend staying on this page until the check is complete. If you add beneficiaries after performing this check, you can perform the check again.

Note: Using this check does not guarantee that duplicates will not be identified by USCIS at a later date. This check will compare the beneficiaries listed in this draft with any registrations previously submitted during this registration period. It will not check for duplicates within this draft or between drafts. You can review the list of beneficiaries you included on the previous page (or on the spreadsheet on your account homepage) to make sure you have not entered a beneficiary more than once. Even if utilizing this check, the burden is still on the registrant to ensure that no duplicate registrations are submitted.

The system has detected 1 duplicate entry

When the initial registration period closes, we will automatically invalidate any duplicate registrations you submitted. To avoid this, you should manually delete any duplicates from your beneficiary list before the initial registration period closes by returning to the "Beneficiary information" page.

Check was last run on Jan. 12, 2022 11:08 AM

H-1B Registration Summary

Here is a summary of all the information you provided in your submission.

You have until the initial registration period closes to log into your account, review all of your H-1B registrations, and delete any duplicates. If a prospective petitioner, or their authorized attorney or representative, submits more than one registration per beneficiary in the same fiscal year, all registrations for this particular beneficiary submitted by that prospective petitioner, or on their behalf by their authorized attorney or representative, will be considered invalid and removed from the selection process.

Please note, withdrawing an associated G-28 from a registration does not delete a submitted registration from the system. If a registrant and their representative each separately submit a registration for the same beneficiary, even by mistake, it will invalidate the registrations.

Invalidation of duplicate registrations may not be appealed.

Make sure you have provided responses for everything that applies to you before you submit your registration(s). You can edit your responses by going to each registration section using the site navigation.

We also prepared a draft case snapshot with your responses, which you can download below.
