§ 103.6 Surety bonds.

(a) *Posting of surety bonds—(1) Extension agreements; consent of surety; collateral security.* All surety bonds posted in immigration cases shall be executed on Form I-352, Immigration Bond, a copy of which, and any rider attached thereto, shall be furnished the obligor. A district director is authorized to approve a bond, a formal agreement to extension of liability of surety, a request for delivery of collateral security to a duly appointed and undischarged administrator or executor of the estate of a deceased depositor, and a power of attorney executed on Form I-312, Designation of Attorney in Fact. All other matters relating to bonds, including a power of attorney not executed on Form I-312 and a request for delivery of collateral security to other than the depositor or his or her approved attorney in fact, shall be forwarded to the regional director for approval.

(2) *Bond riders*—(i) *General*. Bond riders shall be prepared on Form I-351, Bond Riders, and attached to Form I-352. If a condition to be included in a bond is not on Form I-351, a rider containing the condition shall be executed.

(ii) [Reserved]

(b) *Acceptable sureties*. Either a company holding a certificate from the Secretary of the Treasury under 6 U.S.C. 6-13 as an acceptable surety on Federal bonds, or a surety who deposits cash or U.S. bonds or notes of the class described in 6 U.S.C. 15 and Treasury Department regulations issued pursuant thereto and which are not redeemable within 1 year from the date they are offered for deposit is an acceptable surety.

(c) *Cancellation*—(1) *Public charge bonds*. A public charge bond posted for an immigrant shall be cancelled when the alien dies, departs permanently from the United States or is naturalized, provided the immigrant did not become a public charge prior to death, departure, or naturalization. The district director may cancel a public charge bond at any time if he/she finds that the immigrant is not likely to become a public charge. A bond may also be cancelled in order to allow substitution of another bond. A public charge bond shall be cancelled by the district director upon review following the fifth anniversary of the admission of the immigrant, provided that the alien has filed Form I-356, Request for Cancellation of Public Charge Bond, and the district director finds that the immigrant did not become a public charge prior to the fifth anniversary. If Form I-356 is not filed, the bond shall remain in effect until the form is filed and the district director reviews the evidence supporting the form and renders a decision to breach or cancel the bond.

(2) *Maintenance of status and departure bonds*. When the status of a non-immigrant who has violated the conditions of his admission has been adjusted as a result of administrative or legislative action to that of a permanent resident retroactively to a date prior to the violation, any outstanding maintenance of status and departure bond shall be canceled. If an application for adjustment of status is made by a nonimmigrant while he is in law-

ful temporary status, the bond shall be canceled if his status is adjusted to that of a lawful permanent resident or if he voluntarily departs within any period granted to him. As used in this paragraph, the term *lawful temporary status* means that there must not have been a violation of any of the conditions of the alien's nonimmigrant classification by acceptance of unauthorized employment or otherwise during the time he has been accorded such classification, and that from the date of admission to the date of departure or adjustment of status he must have had uninterrupted Service approval of his presence in the United States in the form of regular extensions of stay or dates set by which departure is to occur, or a combination of both. An alien admitted as a nonimmigrant shall not be regarded as having violated his nonimmigrant status by engaging in employment subsequent to his proper filing of an application for adjustment of status under section 245 of the Act and part 245 of this chapter. A maintenance of status and departure bond posted at the request of an American consular officer abroad in behalf of an alien who did not travel to the United States shall be canceled upon receipt of notice from an American consular officer that the alien is outside the United States and the non-immigrant visa issued pursuant to the posting of the bond has been canceled or has expired.

(3) *Substantial performance*. Substantial performance of all conditions imposed by the terms of a bond shall release the obligor from liability.

Less than 500 workers—\$15 *each*
500 to 1,000 workers—\$10 *each*

(e) *Breach of bond.* A bond is breached when there has been a substantial violation of the stipulated conditions. A final determination that a bond has been breached creates a claim in favor of the United States which may not be released or discharged by a Service officer. The district director having custody of the file containing the immigration bond executed on Form I-352 shall determine whether the bond shall be declared breached or cancelled, and shall notify the obligor on Form I-323 or Form I-391 of the decision, and, if declared breached, of the reasons therefor, and of the right to appeal in accordance with the provisions of this part.
