#### PRIVACY ACT NOTIFICATION STATEMENT

The Privacy Act of 1974 (5 U.S.C. 552a) requires that an agency provide the following notification to each individual whom it asks to supply information. The following information is contained in the system of records 18-11-20 entitled "Health Education Assistance Loan Program."

- 1. The authority for collecting the requested information is found in Title VII, Part A, Subpart I of the Public Health Service Act (42 U.S.C. 292-292o) and the Consolidate Appropriations Act, 2014.
- 2. The principal purposes of this information are as follows: to verify the identity of the applicant; to determine program eligibility and benefits; to permit servicing of the loan; and in the event it is necessary, to locate missing borrowers and collect on delinquent or defaulted loans.
- 3. The routine uses include the following: the information may be furnished during the life of the loan to holders of this and other loans made to the borrower under the HEAL Program; to educational institutions in which the borrower is enrolled or is accepted for enrollment; to guarantee agencies; to contractors which assist the Department of Education in the administration of the HEAL Program; to Federal or State agencies or private parties who may be able to provide information necessary for the collection of the loan or to assist in the servicing or collection of the loan. Disclosures may also be made to consumer reporting agencies in order to aid in the collection of outstanding debts owed to the Federal Government. Disclosure of records will consist of the individual's name, social security number, and other information necessary to establish the identity of the individual, the amount, status, and history of the claim, and the agency or program under which the claim arose.

Section 3(c) of the Privacy Act (5 U.S.C. 552a) requires that an agency keep an accounting of disclosures of individually identified information from a system of records to all third parties outside of the Department of Education. Upon an individual's written request to the System Manager, an agency must make the accounting of such disclosures available to the subject individual.

Section 7(b) of the Privacy Act of 1974 (5 U.S.C. 552a) requires that where any Federal, State, or local government agency requests an individual to disclose his or her social security account number (SSN), that the individual

must also be advised whether that disclosure is mandatory or voluntary, by what statutory or other authority the SSN is solicited, and what uses will be made of it.

Disclosure of the applicant's SSN is mandatory for participation in the HEAL Program as provided for by Section 4 of the Debt Collection Act of 1982 (26 U.S.C. 6103 note). Applicants are advised that failure to provide his/her SSN will result in the denial of the individual to participate in the HEAL Program. The SSN will be used to verify the identity of the applicant and as an account number (identifier) throughout the life of the loan to record necessary data accurately. As an identifier, the SSN is used in such program activities as: determining program eligibility; certifying school attendance and student status; determining eligibility for deferment of repayment; determining eligibility for disability or death claims, and for tracing and collecting in cases of delinquent or defaulted loans.

#### FINANCIAL PRIVACY ACT

Under the Right to Financial Privacy Act of 1978 (12 U.S.C. 3401-3412), the U.S. Department of Education will have access to financial records in your student loan file maintained by the Lender in connection with the administration of the HEAL Program
