--

**OMB Burden Disclosure Statement**

Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0043), Washington, DC 20503.

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

U.S. Department of Energy  
WEATHERIZATION ASSISTANCE PROGRAM ENHANCEMENT AND INNOVATION (E&I)  
GRANT FILE WORKSHEET  
INSTRUCTIONS

The Annual File Worksheet is designed to gather specific detail related to the expenditures of the Weatherization grant.

	Item	Explanation
IV.1	Subgrantees and Contractors	
	■ Organization Name	Identify each intended subgrantee or contractor by name
	■ City	Identify the city in which the organization is located
	■ Funding	Identify the tentative funding each organization will receive
	■ Units	Identify the tentative total of completed units anticipated by the organization with this funding, if applicable
IV.2	E&I Topic Area	Select one topic area based on E&I award and SOPO
IV.3	E&I Planned Activities	Select all activities that apply based on E&I award and SOPO
IV.4	Production Schedule	
	■ Total Units	Enter the total units expected to receive E&I services during the Budget Period.
	■ Units in Underserved Communities	Enter the number of units in underserved communities expected to receive E&I services during the Budget Period. This should be at least 40% of the Total Units.
	■ Units Rehabilitated to be Weatherization-Ready	Enter the number of units expected to be made Weatherization-Ready. This must be less than or equal to the Total Units.
IV.5	Workforce Development Goals	
	■ Number of Workers Hired	Enter the total number of full-time equivalent weatherization workers (employees or contractors) that are expected to be hired during the budget period.
	■ Number of Workers Retained	Enter the total number of full-time equivalent weatherization workers (employees or contractors) that are expected to be retained during the budget period. This should be less than or equal to Number of Workers Hired.
IV.6	Miscellaneous	Identify any anticipated activities that are not routinely administered as part of the Enhancement and Innovation program.

## PAPERWORK REDUCTION ACT BURDEN DISCLOSURE STATEMENT

This data is being collected to be used by program staff to track Community Scale recipients' activities, their progress in achieving scheduled milestones, and funds expended. The data you supply will be used to enable program staff to provide required or requested information on program activities to OMB, Congress, and the public.

Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Enterprise Policy Development & Implementation Office, IM-22, Paperwork Reduction Project 1910-5157, U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project 1910-5157, Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

*Submission of this data is required.*
