Responses to questions which call for estimates or projections should take the form of good faith statements made to the best of the applicant's knowledge and belief. Statements of fact provided in this document must be accurate as of the date of submission. Anyone who knowingly makes a false statement with the intent to influence DFC's guarantees, loans, or other investments may be criminally prosecuted. Such false statements are also grounds for DFC to terminate a commitment or declare a contract default. These rights are in addition to any other rights or remedies available to United States government. Neither submission nor acceptance of this application implies that the proposed transaction is eligible for support or that support will be provided.

Information provided in this form will be deemed designated as "confidential commercial information" in accordance with Freedom of Information Act (FOIA) regulations at 22 C.F.R. Part 706, and will be treated as such to the extent permitted by applicable law. Personal information belonging to an individual will not be released under the FOIA unless the information is already public or if the public interest is greater than the private interest under 5 U.S.C. § 552(b)(6).

You are not required to provide your social security number. DFC evaluates the financial status of those providing equity or collateral support to a transaction to determine whether it is financially sound. Providing your social security number will assist DFC in verifying your financial status by running a credit check. If you choose not to provide your social security number, DFC may be unable to fully evaluate your transaction's financial soundness.

This is notice of DFC's right to access financial records held by financial institutions that are or have been doing business with you or your business under the Right to Financial Privacy Act of 1978. The law provides that DFC shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a loan or loan guaranty to your project. DFC is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, however no further certification is required for subsequent access. DFC's access rights continue for the term of any approved loan or guaranty agreement. No further notice to you of DFC's access rights is required during the term of any such agreement. The law also authorizes DFC to transfer to another Government authority any financial records included in an application for a loan, or concerning an approved loan or guarantee, as necessary to process, service, or foreclose on a loan guaranty or collect on a defaulted loan guaranty.

The Better Utilization of Investments Leading to Development (BUILD) Act of 2018 (P.L. 115-254) and the Inspector General Act of 1978 (P.L. 95-452) (as amended) (the "IG Act") require DFC to have an Inspector General. The Office of the Inspector General's mission is to provide independent oversight of DFC's programs and operations for increased efficiency and effectiveness, and to prevent fraud, waste, and abuse. The Office of the Inspector General conducts audits, investigations, and other reviews of DFC programs, transactions, and operations. The IG Act gives the Office of the Inspector General unrestricted access to all records in the possession and control of DFC, and requires that DFC provide the Office of the Inspector General unrestricted access to all DFC project data and systems in response to any request from the Office of the Inspector General. See 5 U.S.C. Appendix 3. The Office of the Inspector General may contact you, your organization, or your personnel in connection with an Office of the Inspector General audit, investigation, or other review and expects that you, your organization and your personnel will cooperate with requests for information from the Office of the Inspector General. More information about the Office of the Inspector General can be found here: <https://www.dfc.gov/oig>.
