Re: Comments on DFC's Personal Identification Form (DFC-006)

Dear Interested Civil Society Organizations and Practitioners:

This letter presents the Overseas Private Investment Corporation's (OPIC) response, on behalf of the U.S. International Development Finance Corporation (DFC), to comments of the Interested Civil Society Organizations and Practitioners (see Attachment A) pertaining to the OPIC Federal Register notice, titled "Submission for OMB Review; Comments Request" related to DFC's Personal Identification Form (DFC-006), published on March 22, 2019.

In your letter of May 20, 2019, you requested that OPIC/DFC add questions to DFC-006 regarding a party's possible inclusion on debarment lists published by various International Financial Institutions (IFIs), or their involvement in complaints lodged with Independent Accountability Mechanisms (IAMs), National Contact Points (NCPs) or other venues for community-related grievances.

OPIC/DFC Response: OPIC has evaluated the efficacy of asking such questions in the form vs. determining the answers via our extensive character risk due diligence utilizing independent information sources, which include IFI debarment lists. We have found that the independent due diligence process is more effective in uncovering information on these important topics than attempting to collect such information through the form. Therefore, adding this requirement is unnecessary.

OPIC appreciates your comments to the DFC-006 and your engagement on these important issues.

Sincerely,

Genevieve Stubbs
