CRIMINAL HISTORY

The AmeriCorps application process requires a criminal history check to ensure that community members with whom we work are protected, particularly children, individuals with disabilities, and individuals over 60 vears old.

We will investigate for past sexual offenses and violent crimes, or crimes that would have a direct bearing on your service.

This background check will entail our search of the National Sex Offenders Registry and an FBI criminal history check, which will require your being fingerprinted at Pre-Service Orientation.

You will not be permitted to serve or work with children, individuals with disabilities, or individuals over 60 years of age, without supervision until the history check is complete and you are cleared. The review process is not lengthy, and normally is completed within weeks.
