

## Justification

RI 92-22, 2021 Annuity Supplement Earnings Report

This information collection is being submitted as a non-substantive change. This supplement earnings report, which is sent to our customers annually requires minor editorial updates.

The following edits were made to this information collection request (ICR):

- (1) the display of the OMB control number**
- (2) updated the reporting year**
- (3) updated the allowable earnings amount**
- (4) updated the edition date**
- (5) updated the year of birth for reporting basis**
- (6) added the Federal Relay Service contact information.**

There are no changes to the burden.
