### Submission for OMB Review; Comment Request

*Extension:*  
Rule 23c-1

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the

“Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 23c-1(a) under the Investment Company Act (17 CFR 270.23c-1(a)) permits a closed-end fund to repurchase its securities for cash if, in addition to the other requirements set forth in the rule, the following conditions are met: (i) Payment of the purchase price is accompanied or preceded by a written confirmation of the purchase (“written confirmation”); (ii) the asset coverage per unit of the security to be purchased is disclosed to the seller or his agent (“asset coverage disclosure”); and (iii) if the security is a stock, the fund has, within the preceding six months, informed stockholders of its intention to purchase stock (“six month notice”). Commission staff estimates that 56 closed-end funds undertake a total of 224 repurchases annually under rule 23c-1.<sup>1</sup> Staff estimates further that, with respect to each repurchase, each fund spends 2.5 hours to comply with the rule’s written confirmation, asset coverage disclosure and six month notice requirements. Thus, Commission staff estimates the total annual respondent reporting burden is 560 hours.<sup>2</sup> Commission staff further estimates that the cost of the hourly burden per repurchase is approximately \$330.50 (one half hour of a compliance attorney’s time at \$373 per hour,<sup>3</sup> and two hours of clerical time at \$72 per hour<sup>4</sup>). The total annual cost for all funds is estimated to be \$185,080.<sup>5</sup>

In addition, the fund must file with the Commission a copy of any written solicitation to purchase securities given by or on behalf of the fund to 10 or more persons. The copy must be filed as an exhibit to Form N-CSR (17 CFR

<sup>1</sup> The number of closed-end funds that undertake repurchases annually under rule 23c-1 is based on information provided in response to Item C.7.i of Form N-CEN from January 1, 2020 through December 31, 2020.

<sup>2</sup> This estimate is based on the following calculation: 224 repurchases × 2.5 hours per repurchase = 560 hours.

<sup>3</sup> The \$373/hour figure for a compliance attorney is from SIFMA’s Management & Professional Earnings in the Securities Industry 2013, updated for 2021, modified by Commission staff to account for an 1800-hour work-year and inflation, and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

<sup>4</sup> The \$72/hour figure for a compliance clerk is from SIFMA’s Office Salaries in the Securities Industry 2013, updated for 2021, modified by Commission staff to account for an 1800-hour work-year and inflation, and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead.

<sup>5</sup> This estimate is based on the following calculation: 560 repurchases × \$330.5 per repurchase = \$185,080.

249.331 and 274.128).<sup>6</sup> The burden associated with filing Form N-CSR is addressed in the submission related to that form.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Complying with the collection of information requirements of the rule is mandatory. The filings that the rule requires to be made with the Commission are available to the public. ## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–93496; File No. SR–NYSE–2021–63]

### Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Its Price List To Eliminate Expired and Obsolete Pillar Port Transition Fee Pricing

November 1, 2021.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”)<sup>2</sup> and Rule 19b–4 thereunder,<sup>3</sup> notice is hereby given that, on October 27, 2021, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List to eliminate expired and obsolete Pillar port transition fee pricing. The proposed rule change is available on the Exchange’s website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The purpose of this filing is to eliminate expired and obsolete Pillar port transition fee pricing now that there are no member organizations that did not complete the transition from older to newer and more efficient Pillar technology.

The Exchange proposes to implement these changes to its Price List effective October 27, 2021.

##### Background

Member organizations enter orders and order instructions, and receive information from the Exchange, by establishing a connection to a gateway that uses communication protocols that map to the order types and modifiers described in Exchange rules. These gateway connections, also known as logical port connections, are referred to as “ports” on the Exchange’s Price List. Legacy ports connect with the Exchange via a Common Customer Gateway (known as “CCG”) that accesses its equity trading systems (“Phase I ports”). Beginning July 1, 2019, the Exchange began making available ports using Pillar gateways to its member organizations (“Phase II ports”).

Effective July 3, 2019, the Exchange introduced transition pricing designed to provide member organizations an extended transition period to connect to the Exchange using Pillar technology with no fee increase. Specifically, the Exchange (1) adopted a cap on monthly fees for the use of certain ports connecting to the Exchange for the billing months July 2019 through March 2020 (the “Transition Period”); (2) adopted a Decommission Extension Fee applicable for the billing months April 2020 through September 2020 (the “Decommission Period”) for legacy port connections; and (3) prorated the monthly fee for certain ports activated after July 1, 2019, effective April 1, 2020.<sup>4</sup>

Effective March 2, 2020, the Exchange (1) extended the end of the Transition Period from March 2020 to August 2020 for member organizations to transition to the utilization of ports that connect to the Exchange using Pillar technology; (2) shortened the Decommission Period from six months (April 2020–September 2020) to four months (September–December 2020); (3) extended the
