Form 8-A

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form 8-A (17 CFR 249.208a) is a registration statement used to register a class of securities under Section 12(b) or Section 12(g) of the Securities Exchange Act of 1934 (15 U.S.C. 78l(b) and 78l(g)) ("Exchange Act"). Section 12(a) (15 U.S.C. 78l(a)) of the Exchange Act makes it unlawful for any member, broker, or dealer to effect any transaction in any security (other than an exempted security) on a national securities exchange unless such security has been registered under the Exchange Act (15 U.S.C. 78a *et seq.*). Exchange Act Section 12(b) establishes the registration procedures. Exchange Act Section 12(g) requires an issuer that is not a bank or bank holding company to register a class of equity securities (other than exempted securities) within 120 days after its fiscal year end if, on the last day of its fiscal year, the issuer has total assets of more than \$10 million and the class of equity securities is "held of record" by either (i) 2,000 persons, or (ii) 500 persons who are not accredited investors. An issuer that is a bank or a bank holding company, must

register a class of equity securities (other than exempted securities) within 120 days after the last day of its first fiscal year ended after the effective date of the JOBS Act if, on the last day of its fiscal year, the issuer has total assets of more than \$10 million and the class of equity securities is "held of record" by 2,000 or more persons. Form 8-A takes approximately 3 hours to prepare and is filed by approximately 1,376 respondents for a total annual reporting burden of 4,128 hours (3 hours per response × 1,376 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by May 9, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.
