Engagement

I feel exhausted in the morning at the thought of another day at work.

I have the support I need to do my job well.

There is someone at work I can talk to about my day-to-day problems if I need to.

Equity

Agency leadership shows that diversity and inclusion are important through their actions.

I feel that maybe I don't belong in my Agency.

If I found a job elsewhere with the same pay and benefits as this one, I would take it.

My workload is reasonable.

Reentry

I trust Agency leadership to do what's right to protect employees' health, safety, and wellbeing.

I trust my supervisor will help me navigate the reentry transition.

If I found a job elsewhere with more workplace flexibilities or remote options, I would take it.
