Example of a Specialty Criteria Survey

The National Agricultural Statistics Service is in the process of updating our list of agricultural operators. Your response on this survey will verify current agricultural operations and help identify duplication. Please complete all items that relate to your operation and return the questionnaire in the enclosed postage paid envelope. Your report is needed even if you are not involved in agriculture.

The information you provide will be used for statistical purposes only. Your responses will be kept confidential and any person who willfully discloses ANY identifiable information about you or your operation is subject to a jail term, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection and Statistical Efficiency Act of 2018, Title III of Pub. L. No. 115-435, codified in 44 U.S.C. Ch. 35 and other applicable Federal laws. For more information on how we protect your information please visit: https://www.nass.usda.gov/confidentiality. Response is **voluntar**y.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number is 0535-0140. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Please verify name and mailing address of this operation. Make corrections (including operation name) on the label and continue.
