

Request for Nonsubstantive Change
ICR 0579-0470

March 15, 2022

The title of APHIS 7002A, Section IV, Part B, is changed from

“B. PARASITE CONTROL PROGRAM – DESCRIBE THE FREQUENCY OF SAMPLING AND/OR TREATMENT FOR THE FOLLOWING:”

to

“B. PARASITE CONTROL PROGRAM – DESCRIBE THE FREQUENCY OF SAMPLING AND TREATMENT FOR THE FOLLOWING:”

The “and/or” suggests that testing or treatment can be substituted for the other. Both must be done. This change has no impact on the reported burden for this form.
