

Appendix E5. Child Nutrition Programs Income Eligibility Guidelines

The Child and Adult Care Food Program (CACFP) regulations (7 CFR 226.6(f)(1)(ii)) require State agencies to annually provide all institutions with a copy of the income standards to be used by institutions for determining the eligibility of participants for free and reduced-price meals under the Program, which will enable institutions to claim the reimbursement to which they are entitled by law. Section 17 of the National School Lunch Act, as amended (42 U.S.C. 1766), authorizes the CACFP. This collection is required to obtain or retain benefits and the Food and Nutrition Service (FNS) uses the information collected to conduct reviews that determine whether or not institutions are observing the requirements of the Program established by regulations and statute. In addition, the information collection is necessary for administering agencies to monitor Program operations to ensure compliance with legislative and regulatory requirements. Under the Privacy Act of 1974, any personally identifying information obtained will be kept private to the extent of the law. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid Office of Management and Budget (OMB) control number. The valid OMB control number for this information collection is 0584-0055. The time required to complete this information collection is estimated to average 30 minutes (0.5 hours) per response. This burden consists of the time it takes the State agency to annually provide all institutions a copy of the income standards to be used by institutions for determining the eligibility of participants for free and reduced-price meals under the Program. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place, Alexandria, VA 22314, ATTN: PRA (0584-0055). Do not return a completed form to this address.

The collection of the school and CACFP organization contact information is currently approved under OMB Control #0584-0642, which expires on October 31, 2021. FNS wants to extend this data collection to continue the customer service provided to these entities. Once this information collection request has been reviewed and approved by the Office of Management and Budget (OMB), FNS will update the collection with the new expiration date.

Child Nutrition Programs: Income Eligibility Guidelines

AGENCY: Food and Nutrition Service, USDA.

ACTION: Notice.

SUMMARY: This notice announces the Department's annual adjustments to the Income Eligibility Guidelines to be used in determining eligibility for free and reduced price meals and free milk for the period from July 1, 2021 through June 30, 2022. These guidelines are used by schools, institutions, and facilities participating in the National School Lunch Program (and Commodity School Program), School Breakfast Program, Special Milk Program for Children, Child and Adult Care Food Program and Summer Food Service Program. The annual adjustments are required by section 9 of the Richard B. Russell National School Lunch Act. The guidelines are intended to direct

benefits to those children most in need and are revised annually to account for changes in the Consumer Price Index.

DATES: Implementation date July 1, 2021.

FOR FURTHER INFORMATION CONTACT: J. Kevin Maskornick, Program Monitoring and Operational Support Division, Child Nutrition Programs, Food and Nutrition Service, United States Department of Agriculture, 1320 Braddock Place, Suite 401, Alexandria, Virginia 22314, or call 703-305-2537.

SUPPLEMENTARY INFORMATION: This action is not a rule as defined by the Regulatory Flexibility Act (5 U.S.C.

601–612) and thus is exempt from the provisions of that Act.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), no recordkeeping or reporting requirements have been included that are subject to approval from the Office of Management and Budget.

This notice has been determined to be not significant and was not reviewed by the Office of Management and Budget in conformance with Executive Order 12866.

The affected programs are listed in the Assistance Listings (<https://beta.sam.gov/>) under No. 10.553, No. 10.555, No. 10.556, No. 10.558, and No. 10.559 and are subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials. (See 2 CFR part 415).

Background

Pursuant to sections 9(b)(1) and 17(c)(4) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(b)(1) and 42 U.S.C. 1766(c)(4)), and sections 3(a)(6) and 4(e)(1)(A) of the Child Nutrition Act of 1966 (42 U.S.C. 1772(a)(6) and 1773(e)(1)(A)), the Department annually issues the Income Eligibility Guidelines for free and reduced price meals for the National School Lunch Program (7 CFR part 210), the Commodity School Program (7 CFR part 210), School Breakfast Program (7 CFR part 220), Summer Food Service Program (7 CFR part 225) and Child and Adult Care Food Program (7 CFR part 226) and the guidelines for free milk in the Special Milk Program for Children (7 CFR part 215). These eligibility guidelines are based on the Federal income poverty guidelines and are stated by household size. The guidelines are used to determine eligibility for free and reduced price meals and free milk

in accordance with applicable program rules.

Definition of Income

In accordance with the Department's policy as provided in the Food and Nutrition Service publication Eligibility Manual for School Meals, "income," as the term is used in this notice, means income before any deductions such as income taxes, Social Security taxes, insurance premiums, charitable contributions, and bonds. It includes the following: (1) Monetary compensation for services, including wages, salary, commissions or fees; (2) net income from nonfarm self-employment; (3) net income from farm self-employment; (4) Social Security; (5) dividends or interest on savings or bonds or income from estates or trusts; (6) net rental income; (7) public assistance or welfare payments; (8) unemployment compensation; (9) government civilian employee or military retirement, or pensions or veterans payments; (10) private pensions or annuities; (11) alimony or child support payments; (12) regular contributions from persons not living in the household; (13) net royalties; and (14) other cash income. Other cash income would include cash amounts received or withdrawn from any source including savings, investments, trust accounts and other resources that would be available to pay the price of a child's meal.

"Income", as the term is used in this notice, does *not* include any income or benefits received under any Federal programs that are excluded from consideration as income by any statutory prohibition. Furthermore, the value of meals or milk to children shall not be considered as income to their households for other benefit programs in accordance with the prohibitions in section 12(e) of the Richard B. Russell National School Lunch Act and section

11(b) of the Child Nutrition Act of 1966 (42 U.S.C. 1760(e) and 1780(b)).

The Income Eligibility Guidelines

The following are the Income Eligibility Guidelines to be effective from July 1, 2021 through June 30, 2022. The Department's guidelines for free meals and milk and reduced price meals were obtained by multiplying the year 2021 Federal income poverty guidelines by 1.30 and 1.85, respectively, and by rounding the result upward to the next whole dollar.

This notice displays only the annual Federal poverty guidelines issued by the Department of Health and Human Services because the monthly and weekly Federal poverty guidelines are not used to determine the Income Eligibility Guidelines. The chart details the free and reduced price eligibility criteria for monthly income, income received twice monthly (24 payments per year); income received every two weeks (26 payments per year) and weekly income.

Income calculations are made based on the following formulas: Monthly income is calculated by dividing the annual income by 12; twice monthly income is computed by dividing annual income by 24; income received every two weeks is calculated by dividing annual income by 26; and weekly income is computed by dividing annual income by 52. All numbers are rounded upward to the next whole dollar. The numbers reflected in this notice for a family of four in the 48 contiguous States, the District of Columbia, Guam and the territories represent an increase of 1.1 percent over last year's level for a family of the same size.

Authority: Section 9(b)(1) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(b)(1)(A)).

Agency Information Collection Activities; Submission of Renewed Generic Clearance for OMB Review

AGENCY: Architectural and Transportation Barriers Compliance Board.

ACTION: 30-Day notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Architectural and Transportation Barriers Compliance Board (Access Board) has submitted to the Office of Management and Budget (OMB) a request for renewal of its existing generic clearance to continue to collect qualitative feedback on agency services and programs.

DATES: Submit comments by April 5, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Frances Spiegel, Attorney Advisor, Office of General Counsel, U.S. Access Board, 1331 F Street NW, Suite 1000, Washington, DC 20004-1111. Phone: 202-272-0041 (voice). Email: spiegel@access-board.gov.

SUPPLEMENTARY INFORMATION:

A. Background

Under the PRA and its implementing regulations (5 CFR part 1320), Federal

agencies must generally provide opportunities for public comment and obtain OMB approval for each collection of information they conduct or sponsor (e.g., contractually-required information collection by a third-party). "Collection of information" refers to agency informational requests that pose identical questions to, or impose reporting or record-keeping obligations on, ten or more non-federal entities or persons, regardless of whether response is mandatory or voluntary. See 5 CFR 1320.3(c); see also 44 U.S.C. 3502(3).

In December 2020, the Access Board published a 60-day notice concerning the proposed renewal of its existing generic clearance for the collection of qualitative feedback, which expires in May 2021 (OMB Control No. 3014-0011). 82 FR 37421 (Aug. 10, 2017). We received no comments in response to this 60-day notice.

B. Overview of Requested Generic Clearance Renewal

By this notice, the Access Board announces that it has requested OMB renewal of our existing generic clearance so that we may continue ongoing efforts to solicit qualitative customer feedback on agency programs and services. OMB approval is requested for three years. Provided below is an overview of the existing generic clearance for which the Access Board seeks renewal:

OMB Control Number: 3014-0011.

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

Type of Request: Extension without change.

Abstract: The proposed information collection activity facilitates collection of qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Federal Government's commitment to improving service delivery. By qualitative feedback we mean information collections that provide useful insights on perceptions and opinions but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insight into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training, or changes in operations might improve delivery of services. These collections will allow for ongoing, collaborative, and actionable communications between the Access Board and its customers and stakeholders.
