The purpose of this Annual Operating Plan (AOP) is to identify procedures of managing interpretive material sales on the National Forest.

#### II. INTERPRETIVE SALES OPERATING GUIDELINE:

A. The Association may conduct business on the U.S. Forest Service sites described below:

B. Hours and Season of Operation:

1. The Association sales area will be open at each location listed in Section II-A. Each sales location will operate with a full inventory of materials supplied by the Association.

C. Merchandise and Prices:

1. Sales items will be subject to the approval of the Forest Supervisor or their designee and the Association Executive Director, or their designee.
2. All sales items will be educational and interpretive in nature and fit into the theme(s) of the Association and the U.S. Forest Service. A scope of sales will be developed between the U.S. Forest Service and the Association to identify appropriate items and will be made part of this operating plan.
3. The Association and the U.S. Forest Service will have available a price list of the merchandise being sold at each sales location for use by Association and U.S. Forest Service personnel.
4. No artifacts protected by the Antiquities Act of 1906 (Pub. L. 59-209), the Archeological Resources Protection Act of 1979 (Pub. L. 96-95), and the Alaska Historic Preservation Act of 1971, as amended, will be sold.

D. Inventory Maintenance and Responsibilities:

1. The Association will coordinate with a publishing company(s) (e.g., Globe Pequot, Falcon, or others) to provide inventory and stocking services. The Association may special order specific titles and other products that will further the goals of the U.S. Forest Service promoting educational, interpretive, cultural, and scientific program needs.

2. U.S. Forest Service personnel will offer sales items to the public as a supplement to their regular duties and keep the sales area neat and well stocked throughout the work day.
3. U.S. Forest Service personnel will be responsible for contacting the Association when additional inventory is needed.
4. The Association will deliver and pick up inventory from U.S. Forest Service locations, unless other arrangements are made (i.e. mail delivery, delivery to one sales location for distribution at other locations).
5. The Association will provide a receiving report with each inventory shipment. The report will list the items delivered. The U.S. Forest Service will reconcile the report and inventory to ensure accuracy and provide it to the Association.
6. Association personnel will take inventory of sales stock when necessary throughout the year. U.S. Forest Service personnel shall allow Association personnel access to the inventory upon request.

#### E. Financial Reporting:

1. U.S. Forest Service personnel at each location will be provided with and assure proper management of a (make fillable or delete amt) Association cash-on-hand fund. The cash-on-hand fund is to be used to make change during sales transactions and be retained in the safe/box provided by Association. The cash-on-hand fund will be returned to Association upon termination of this agreement. The cash-on-hand is the property of Association and Association personnel shall be allowed access to these monies upon request.
2. U.S. Forest Service personnel who assist the Association with sales will maintain a daily sales report. It is the responsibility of U.S. Forest Service personnel to know the Association's procedures for sales transactions.
3. Periodically, or when inventory is delivered, Association personnel will pick-up sales income at each location, or make other arrangements for delivery of proceeds, and return them to the main Association office for deposit processing. The Association and the U.S. Forest Service will reconcile sales income and the daily sales reports upon transfer of sales income from the U.S. Forest Service to Association.

#### F. Contributions:

1. All proceeds from the sales authorized by this agreement shall be retained by the Association and used for mutually agreed upon interpretive project(s) either approved under this agreement when no exchange of funds is necessary; or in a
