

FS Agreement No. \_\_\_\_\_

Cooperator Agreement No. \_\_\_\_\_

**STEWARDSHIP AGREEMENT**  
**Between The**  
**And the**  
**U.S. FOREST SERVICE,**

This Stewardship Agreement is hereby made and entered into by and between the \_\_\_\_\_, hereinafter referred to as “\_\_\_\_\_,” and the U.S. Forest Service, \_\_\_\_\_, hereinafter referred to as the Forest Service, under the provisions of the Consolidated Appropriations Resolution, 2003, Pub. L. 108-7, sec. 323, amending Pub. L. 105-277, sec. 347. \_\_\_\_\_.

**Background:** In 2003 Congress authorized the Forest Service and the Bureau of Land Management to enter into stewardship contracts and agreements “to achieve land management goals for the national forests that meet local and rural community needs.” The primary focus of this legislation is to achieve land management goals through stewardship projects awarded under contracts or agreements. Unique to the legislation is the ability to exchange goods for services that meet the land management objectives.

The area addressed in this Stewardship Agreement is known as the \_\_\_\_\_ and lies within the borders of the States of \_\_\_\_\_. This area includes an un-estimated number of acres to be treated during the term of this Stewardship Agreement.

**I. PURPOSE:**

The purpose of this Stewardship Agreement is to document the cooperative effort between the parties for landscape restoration activities within the \_\_\_\_\_ in accordance with the following provisions and the hereby incorporated Appendices.

Appendix A	Definitions
Appendix B	Technical Proposal
Appendix C	Map of Stewardship Project Area
Appendix D	Financial Plan

**II. STATEMENT OF MUTUAL BENEFIT AND INTERESTS:**

The Forest Service is a land management agency dedicated to the wise use and management of

National Forest System (NFS) lands, including the responsibility for maintaining and improving resource conditions.

Mission accomplishment for both parties will be furthered by the restoration of natural resources across the landscape.

All projects conceived under this Stewardship Agreement will undergo a collaborative process to determine specific habitat improvements. The collaborative process will ensure that the benefits of undertaking restoration activities are mutually beneficial to \_\_\_\_\_ and the Forest Service as well as being beneficial to a wide diversity of interests involved in collaboration.

Both parties share an interest in improving the ecosystem condition and function of the landscape. A healthy landscape provides a variety of benefits beyond the needs of a single species, and therefore benefits both parties.

It is therefore mutually beneficial for the parties to work together to implement these landscape restoration and enhancement projects.

In consideration of the above premises, the parties agree as follows:

### **III. THE PARTNER SHALL:**

- A. LEGAL AUTHORITY. \_\_\_\_\_ shall have the legal authority to enter into this Stewardship Agreement, and the institutional, managerial, and financial capability to ensure proper planning, management, and completion of the project, which includes funds sufficient to pay the nonFederal share of project costs, when applicable.
  
- B. TECHNICAL PROPOSAL. In coordination with the Forest Service, prepare and submit for review a Technical Proposal, which will be attached as Appendix B when finalized. This Technical Proposal must address agreed upon land management activities within in the Stewardship Project Area displayed in Appendix C, for the proposed operating period. The Technical Proposal must abide by all laws and regulations pertaining to the management and protection of National Forest System (NFS) lands and adhere to the National Environmental Policy Act (NEPA) document and all mitigation identified therein. The Technical Proposal will be used to make an evaluation and arrive at a determination as to whether the proposal will meet the requirements of the Forest Service. Therefore, the Technical Proposal must present sufficient information to reflect a thorough understanding of the requirements and a detailed description of the techniques, procedures, and program for achieving the objectives of the specifications/statement of work. Technical Proposals will be evaluated on the basis of the following criteria. As a minimum, the Technical Proposal must clearly provide the following:
  - 1. A plan of operations for both timber harvest and stewardship project work. Include a timeline and the rationale for the work activities identified to ensure activities will be completed by the expiration date of the SPA.

2. Quality control plan for both the harvesting and stewardship projects.

The approved Technical Proposal will become part of this SPA without necessity of a formal modification.

BILLING. Bill the Forest Service for costs incurred on the project. *See related Provision . Payment/Reimbursemen*

t

C.

#### **IV. THE FOREST SERVICE SHALL:**

- A. Have the Regional Forester or authorized designee approve all stewardship project proposals.

- B. ASSURANCE REGARDING FELONY CONVICTION OR TAX DELINQUENT STATUS FOR CORPORATE ENTITIES. This agreement is subject to the provisions contained in the Department of Interior, Environment, and Related Agencies Appropriations Act, 2012, P.L. No. 112-74, Division E, Section 433 and 434 regarding corporate felony convictions and corporate federal tax delinquencies. Accordingly, by entering into this agreement \_\_\_\_\_ acknowledges that it: 1) does not have a tax delinquency, meaning that it is not subject to any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, and (2) has not been convicted (or had an officer or agent acting on its behalf convicted) of a felony criminal violation under any Federal law within 24 months preceding the agreement, unless a suspending and debarring official of the United States Department of Agriculture has considered suspension or debarment is not necessary to protect the interests of the Government. If \_\_\_\_\_ fails to comply with these provisions, the U.S. Forest Service will annul this agreement and may recover any funds \_\_\_\_\_ has expended in violation of sections 433 and 434.
- C. SYSTEM FOR AWARD MANAGEMENT REGISTRATION REQUIREMENT (SAM). \_\_\_\_\_ shall maintain current information in the System for Award Management (SAM) until receipt of final payment. This requires review and update to the information at least annually after the initial registration, and more frequently if required by changes in information or agreement term(s). For purposes of this agreement, System for Award Management (SAM) means the Federal repository into which an entity must provide information required for the conduct of business as a Cooperative. Additional information about registration procedures may be found at the SAM Internet site at [www.sam.gov](http://www.sam.gov).
- D. AVAILABILITY FOR CONSULTATION. Both parties will make themselves available at mutually agreeable times, for continuing consultation to discuss the conditions covered by this Stewardship Agreement and agree to actions essential to fulfill its purposes.
- E. ANNUAL MEETING. At a minimum, the parties will meet annually to discuss potential stewardship projects and jointly review the active stewardship project proposal list.
- F. ENVIRONMENTAL MANAGEMENT SYSTEM (EMS). The parties will comply with the Forest Service’s environmental management system (EMS) which is a systematic approach to improving environmental performance by identifying activities and

environmental impacts that occur on National forest system (NFS) lands. The Forest Service will provide \_\_\_\_\_ with details for compliance.

G. NEPA COMPLIANCE. The Forest Service will assure that this Stewardship Agreement incorporates necessary design criteria and standards for operation to comply with the NEPA document. \_\_\_\_\_ will work with the Forest Service to comply with these terms on the ground.

H. TECHNICAL AND COST EVALUATION. Best approach determination is the evaluation method used by the Forest Service to approve stewardship agreement technical proposals. Such consideration shall primarily consider criteria other than cost. These non-price criteria include, but are not limited to:

1. The extent of mutual interest and benefit.
2. The advantages and effectiveness of mutual participation.
3. Joint expertise.
4. Past performance.
5. Technical approach
6. Factors relevant to cost such as volunteer participation, contribution from other parties, cost sharing, etc.
7. Ability to utilize, educate and/or train a local workforce.
8. Benefits to the local community
9. Ability to complete work in a timely manner.
10. Experience in performing similar work.
11. Ability to conduct work in an environmentally sound manner.

I. NOTICES. Any communications affecting the operations covered by this agreement given by the Forest Service or \_\_\_\_\_ is sufficient only if in writing and delivered in person, mailed, or transmitted electronically by e-mail or fax, as follows:

## **APPENDIX A DEFINITIONS**

Technical and Cost Evaluation. The evaluation used by the Forest Service to award projects. Such consideration shall primarily consider criteria other than cost. These non-price criteria include, but are not limited to, extent of mutual cooperation and benefits, past performance, experience, technical approach, and benefits to the local community.

Stewardship Project Proposal. A written request submitted by Forest and Grassland Supervisors to the Regional Forester for review and approval for proposed stewardship projects. The request for approval must include appropriate information about the proposed project, such as land management goals of the project, the total value of the project, products to be removed, the value of services to be received, the value of goods to be exchanged for services, contributed funds or work to be received, and expected residual receipts from the project.

After reviewing a proposed project, the Regional Forester shall approve or disapprove the project through a formal written reply in correspondence to the Forest or Grassland Supervisor. Only the projects and associated work activities approved by the Regional Forester with completed NEPA analysis are to be included in this Stewardship Agreement.
