Washington, DC 20233

Office of the Director

A message from the Director of the U.S. Census Bureau:

The U.S. Census Bureau recently sent you a request to complete the **American Community Survey** online. If you have not already responded to this important survey, please do so now.

Complete the survey using ONLY ONE of the following options:

- Respond online at **<https://respond.census.gov/acs>**
- If you are unable to respond online, please fill out and mail back the enclosed questionnaire.

You are required by U.S. law to respond to this survey.

The Census Bureau has randomly selected your address to receive this survey as part of a nationally representative sample. Because you will be providing important information on behalf of your community, it is vital that you complete this survey to help meet critical needs in your area – including determining where to locate new schools, hospitals, and fire stations.

If you do not respond promptly, a Census Bureau interviewer may contact you to complete the survey.

The Census Bureau is required by law to keep your information confidential.

The Census Bureau is not permitted to publicly release your responses in a way that could identify you or your household.

If you need help completing the survey or have questions, please call our toll-free number (1-800-354-7271).

Thank you for your prompt response.

Enclosures

Will my response be confidential?

Yes. The U.S. Census Bureau is required by law to protect this information. The Census Bureau is not permitted to publicly release your responses in a way that could identify you. We are conducting this survey under the authority of Title 13, United States Code, Sections 141 and 193. Federal law protects your privacy and keeps your answers confidential (Title 13, United States Code, Section 9). Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

Am I required to fill out the survey?

Yes. Your response to this survey is required by law (Title 13, U.S. Code, Sections 141, 193, and 221). Title 13, as changed by Title 18, imposes a penalty for not responding. As a randomly selected representative of your community, you are the voice of your neighbors and peers. To create an accurate picture of your community, it is critical that you respond.

How will the Census Bureau use the information I provide?

By law, the Census Bureau can only use your responses to produce statistics. Your information will be used in combination with information from other households to produce data for your community. Similar data will be produced for communities across Puerto Rico and the United States.

We may combine your answers with information that you gave to other agencies to enhance the statistical uses of these data. This information will be given the same protections as your survey information. Based on the information that you provide, you may be asked to participate in other Census Bureau surveys that are voluntary.
