

SALT PAS:

Authority: DAF is authorized to collect the information requested on this form pursuant to 10 U.S.C. 9013, Secretary of the Air Force. This study has been contracted by the Congressionally Directed & Military Operational Medical Research Programs under the DoD Psychological Health and Traumatic Brain Injury Research Program: Prevention Research to Reduce Sexual Assault (W81XWH2020014 Project Number 190035).

Purpose: The personal information collected in the following questionnaire will be used to contact you for the purposes of the Formative Research for Sexual Assault Leadership Training at the U.S. Air Force Academy study. The information you provide will be used exclusively to contact you about scheduling, data collection, payment (if applicable), and other pertinent information related to this study. The data collected via your participation in the formative research (e.g., focus group or interview) will be used to identify any USAFA-specific emerging leadership training needs (e.g., additional content to be covered, ways to make training more effective and efficient).

Routine Uses: The [focus group/interview] is confidential. All Personally Identifiable Information (PII) will be redacted from interview notes and transcripts prior to distribution, analysis, and reporting. PII will not be shared with anyone except; to representatives of the Under Secretary of Defense (Department of Defense) in fulfillment of their responsibility to protect human research volunteers; or, to appropriate medial and command authorities if information has a bearing on a service member's health in accordance with UCMJ requirements.

Disclosure: Voluntary; Failure to provide the requested information will not have any negative consequences for those who do not wish to participate.
