

Baseline Survey for the WIT Program Evaluation of the U.S. Air Force

This project is being conducted by NORC at the University of Chicago and is funded by the Department of Defense Sexual Assault Prevention and Response Office (DoD SAPRO).

Purpose: To evaluate the Wingman Intervention Training (WIT) in the DAF.

Procedures: Please complete this survey before the training session. The survey includes questions about you and your thoughts about sexual harassment and assault. We will ask you to complete an anonymous baseline survey now, and an anonymous follow-up survey six months later.

Baseline Survey URL: xxx.norc.org

Commitment: Each survey will take about 15-20 minutes. The surveys are voluntary and anonymous. No one in your chain of command will ever see your responses.

Compensation: If you take this baseline survey today, NORC will email you a \$10 Amazon gift code. If you also complete the follow-up survey in six months, NORC will email you an additional \$15 Amazon gift code.

A small incentive of \$10 will be provided to Airmen/Guardians for completing the baseline survey. This incentive has been approved by The Department of the Air Force, A1Z/DPFZ and the Institutional Review Board (IRB) at the NORC IRB for protection of the rights of research participants.

Airman/Guardian Feedback Form for the WIT Program Evaluation

This project is being conducted by NORC at the University of Chicago and is funded by the Department of Defense Sexual Assault Prevention and Response Office (DoD SAPRO).

Purpose: To get feedback on the Wingman Intervention Training (WIT) curriculum.

Procedures: Airmen/Guardians, please complete this form after the training session. We are asking you to complete this anonymous feedback form about the training session you just received.

Feedback Form URL: xxx.norc.org

Commitment: This form will take about three to five minutes to complete. The form is voluntary and anonymous. No one in your chain of command will ever see your responses.

Implementer Feedback Form for the WIT Program Evaluation

This project is being conducted by NORC at the University of Chicago and is funded by the Department of Defense Sexual Assault Prevention and Response Office (DoD SAPRO).

Purpose: To assess the fidelity of the Wingman Intervention Training(WIT) curriculum.

Procedures: Either the VPI or a third-party observer will complete this form. Please complete this form once the WIT training session concludes.

Feedback Form URL: xxx.norc.org

Commitment: This form will take about three to five minutes to complete. The form is voluntary and anonymous. No one in your chain of command will ever see your responses.
